KEY SPEAKERS

Greg Holmes. As a former principal, Greg has extensive knowledge in what it is to be an effective teacher. With years of experience as a teacher Greg has lots of wisdom in programming and curriculum development. Having also worked as a chaplain, Greg understands the role of the ministry worker within both the state and private systems.

Richard Grellman

Richard has extensive experience as a Chairman, Director and member of a very impressive list of boards including AMP Ltd, NSW Motor Accidents Authority, Centennial Coal Company Ltd, Mission Australia and many more. Richard was appointed to the Order of Australia in 2007 for service to the community, particularly for leadership roles in various charities and in the finance and insurance sectors. A faithful and committed Christian, we are privileged to have Richard come to speak to our SRE Board members on how to run a healthy board for highly effective ministry.
