

### **High School Ministry Advisor**

We are looking for an experienced person to support and develop ministry in public high schools with a particular focus on the Western Region. As part of the Ministry Support Team you will work in close partnership with Youthworks College, GenR8 Ministries, local schools, churches and SRE boards. You will need to be a committed Christian who can work independently but understand the value of participating in a close team.

Your responsibilities will include:-

- Promote and support local church involvement in state High School ministry
- Equip and support new and existing SRE Boards
- Negotiate with state High Schools to develop SRE programs
- Network with state High School SRE teachers and chaplains
- Support and train Youthworks' College students
- Support and advise local paid SRE teachers and chaplains
- Create and deliver high quality training for state High School SRE teachers and chaplains

**Preferred Qualifications:** Theological Training - Diploma in Theology or Higher; Experience in Teaching High School SRE or qualified teacher.
