WHY YOU SHOULD GO...

"ISCF conferences shaped a significant part of me into the person I am today. The three I went to had a very profound effect on me and I often think of lessons I learnt and other fond memories I had at them." **Roger**

"It was an incredibly challenging, edifying and encouraging week and incredibly relevant!" **Isabel**

"It is one of the greatest weeks of growth I've ever had" **Edward**

"Conference for me has always been a great experience and a time of genuine Christian fellowship. In Year 12 it was a nice opportunity to get away from the pressure of study, although I was able to find enough time to get some work done too." **Kylie**

"I really enjoyed the talks and found them at a good level and relevant to myself and my life." **Eloise**

"This conference had a profound influence on me in that it revealed to me just how much an impact I could have in my school. For the first time in my life I experienced that real slice of paradise that such an intense fellowship of believers generates. I became equipped in different ministry skills and was taught to think about my school strategically for the kingdom of heaven. I will always remember that it was through ISCF leadership conference that I really, for the first time, caught the vision of the forceful and advancing kingdom of God." **Joel**
